

QA Level 3 Certificate in First Aid at Work (FAW) (RQF)

As an employer, it is best practice to make necessary arrangements to ensure employees receive immediate attention if they are injured or taken ill at work. The Quallsafe awarded RQF level 3 First Aid at Work certificate provides learners with the skills and knowledge needed to deal with a range of first aid situations.

Why choose Control Risks?

Our established international presence and unrivalled knowledge of diverse security and operating environments make us a recognised global leader in security, risk and resilience training, with a proven track record for delivering high-quality courses around the world.

We deliver training from facilities in Europe, North America, Latin America, East and West Africa, the Middle East and Central Asia and can conduct training directly at your facilities and project locations.

The training package includes:

- The roles and responsibilities of an emergency first aider
- Assessing an incident
- Managing an unresponsive casualty
- CPR and defibrillation
- Recovery Position
- Choking
- Seizures
- Shock
- Wounds and bleeding
- Minor injuries

First Aid at Work (FAW)

Over 3 days, participants will learn how to manage a range of injuries and illnesses that could occur at work and will be equipped with the essential skills needed to give emergency first aid. The course will conclude with candidates undertaking a practical assessment and multi-choice examination, the successful completion of which will result in the awarding of a QA Level 3 certificate in Emergency First Aid at Work (RQF).

Who should attend?

Designed for individuals who wish to act as an emergency first aider in their workplace. The course is designed to accommodate all levels of experience from those with no previous first aid experience to individuals who require refresher training.

Certification

Upon successful completion, candidates will be awarded certification – The QA Level 3 Award in First Aid at Work (RQF) is an Ofqual Regulated Qualification accredited by Quallsafe Awards. Valid for three years.
