

## Project Analyst

Control Risks is a specialist risk consultancy that helps to create secure, compliant and resilient organisations in an age of ever-changing risk. Working across disciplines, technologies and geographies, everything we do is based on our belief that taking risks is essential to our clients' success.

We provide our clients with the insight to focus resources and ensure they are prepared to resolve the issues and crises that occur in any ambitious global organisation.

We go beyond problem-solving and give our clients the insight and intelligence they need to realise opportunities and grow. From the boardroom to the remotest location, we have developed an unparalleled ability to bring order to chaos and reassurance to anxiety.

---
