Building local capacity in Ukraine

Control Risks recruits, trains, and retains staff from amongst the most qualified professionals around the world. Our employees in Ukraine receive training to globally recognised standards for tactical skills such as driving, medical, static security, and journey management.

We apply the strictest ethical, legal, and globally recognised regulatory standards. Control Risks are proud to be the preferred risk management provider of choice for international organisations, non-governmental organisations (NGOs) and high-profile diplomatic missions in Ukraine.

Our risk management services in Ukraine comply with:

- Ukraine Registered Legal Entity status
- Universal Declaration of Human Rights
- The UN Human Rights Council's guiding Principles on Business and Human Rights
- Voluntary Principles on Security and Human Rights (VPSHR)
- UN Global Compact
- UK Bribery Act and US Foreign Corrupt Practices Act (FCPA)
- International Code of Conduct for Private Security Providers (ICOCA)
- Montreux Document on Private Military and Security Companies

Supporting your organisation in Ukraine
